

Erie Vital Signs: Key Indicators 2020

These **Key Indicators** are Erie Vital Sign's succinct function in reporting one number, amount, or rate which exemplifies our datasets at large.

All **Key Indicators** represent a deeper dive into our **Topic Categories** which can be explored in detail at: ErieVitalSigns.org

- Trend Increasing Positive
- Trend Decreasing Positive
- Trend Maintaining
- Trend Increasing Negative
- Trend Decreasing Negative

Key Indicators are rooted deeply in the areas of focus for community partners, organizations, and local government commitments and strategies and can be cited during those discussions and performance reviews. The Key Indicators are also composed of those indicators which are most likely used in comparing the Erie community to another.

Data will be updated yearly with census provisions and technical appendix is also available.
