

## Erie Vital Signs: Key Indicators Dashboard 2020

### Technical Appendix

---

This appendix includes the following information:

- 1) Description of the geographies used in the Erie Vital Signs: Key Indicators 2020 Dashboard
- 2) Description of each indicator and the data's source

#### **1. Geographic Areas used in the Erie Vital Signs (EVS) Key Indicators Dashboard 2020**

Due to the granularity of the data analyzed within the Key Indicators Dashboard, the smallest Geographic area in commonality for all indicator data categories was at the county level, thus Erie County is the geographic extent of the data which is analyzed for each indicator. All data is within the latest release year for the dataset, and those sources are explored in Section 2.

#### **2. Indicator Sources**

Data was retrieved and analyzed from multiple sources for the Erie county geographic area for the EVS Key Indicators. The majority of the data sources are free to access and download, but some require a paid subscription and are subject to data sharing restrictions. The below tables represent the indicators and their source organizations and/or products.

Indicator	Source
<b>Economy</b>	
Gross Regional Product Growth	Emsi
Average Salary	Emsi
Unemployment Rate - Annualized	U.S. Department of Labor, Bureau of Labor Statistics, Local Area Unemployment Statistics
